

## BARTON BULLETIN NO.13— 5th December 2025

Our School's Theologically Rooted Christian Vision is based on Matthew 7 vs 12

**'Do to others as you would want them to do to you'**

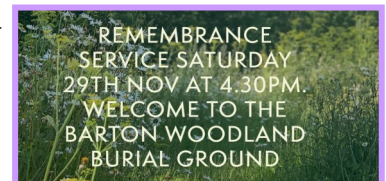

Our vision is taken from Matthew 7:12 "Do to others whatever you would have them do to you", following Jesus' example. We work together to help and support each other to believe, nurture, grow and flourish together in our learning and in our relationships, exemplified in the Parable of the Sower. We do this through our six core values: love, respect, integrity, justice, thankfulness and determination. Inspired by our vision, we want our pupils to make good choices academically and socially, to become creative and independent thinkers, evidencing a love for learning and a thirst for knowledge.

We aspire to promote the skills needed to persevere with learning challenges and the curiosity to enquire further. Our Christian ethos and school values focus on developing children's moral, spiritual, social and cultural understanding. These are woven, like a golden thread, into every aspect of school life.

*Dear parents and carers,*

*Last Saturday afternoon, I was delighted to take members of school choir and friends to sing at the Remembrance Service at Arbory Trust, the Woodland Burial Ground in Barton. It is always a privilege to be invited to join with families during this very special time. The service was very beautiful, with Revd. Ruth Bond, Sarah and Barbara making us all feel most welcome. On Monday morning when I opened my emails it was so encouraging to read a lovely message from Melanie 'The children were amazing. Singing and signing with their songs. They were all amazing and they should be proud of their performance. A BIG well done to everyone involved. It was such a lovely and poignant service for us and everyone there, after losing someone very special in our lives. Please pass on our thanks, the children made it so special for us.' Thank you to Melanie, we appreciate your kind words.*

*Mrs Martin*

*Wednesday 3rd December*

Our pupils represented Barton brilliantly at this week's Small Schools Cross Country competition. Every child showed determination, teamwork and resilience as they tackled a challenging course against strong competition from across the county. The Barton spirit was unmistakable, with all runners giving their very best and supporting one another throughout the event.

We are especially proud of several standout individual achievements. For the second year in a row, we celebrated **1st place in the Year 4 Girls' race - Amelia Williams** - a fantastic accomplishment. In the Year 3 Girls' race, shoulder to shoulder Barton secured **3rd place Emma Haworth and 4th place Penelope Michaelides**, exhibiting incredible talent in the year group. We also achieved a brilliant **3rd place in the Year 6 Boys' race - Toby Hawthorn**. These results, alongside the excellent effort shown by every member of the team, made for a very successful morning of sport.

Mr Pastor

## BARTON BULLETIN NO.13— 5th December 2025

*On Friday we welcomed Victoria Goodman from Church Schools of Cambridge to Barton. Victoria brings much joy and excitement with her story telling and creative workshops. Robin Class was a hive of activity.*

### ROBIN CLASS

Robin Class blasted off into space this week, after transforming into Neil Armstrong, Michael Collins and Buzz Aldrin, putting on their space suits (coats and hats!) the set off on the Apollo 11 mission to the moon. Once there, the children set about exploring – repeating Neil Armstrong’s famous phrase ‘one small step for man, one giant leap for mankind’. Some children had a go at creating their own famous phrase. A popular choice was ‘Look at me, I am on the moon!’.

The children had a go at pitching a flag just like the American’s did, however found that our hall was a bit like the moon and that there was no wind! After some repair work, their flag was looking like it was flying. Then the Robins were sent on some scientific missions, collecting different rocks to bring back from the moon.

We’ve been looking at a range of different sources over the last few weeks to find out about the first manned trip to the moon, and this week one of the sources is an article from Royal Museum’s Greenwich which is about interesting things astronauts have left on the moon.

<https://www.rmg.co.uk/stories/space-astronomy/strange-things-humans-have-left-on-moon>

The children then had a think about what they would leave on the moon...

“My toy police car so the next astronaut has something to play with. They are not allowed to break it!”

“A cat because it would be funny to look at the moon and see a cat. I think it would be my Auntie Elaine’s cat sparkles!” (Poor sparkles!)

“A spider because they are scary. I don’t like them so if they are all on the moon I won’t see them again.”

When it was time to arrive back to earth, the Robins jumped out of the rocket with their parachutes to land back into Robin Classroom.

Lots of the children drew pictures of what items they would want to leave on the moon, and several children had a go at making a flag!

It was a really enjoyable lesson, and I think we have lots of budding astronauts ready for the next space mission!

## Festive Lunches

## BARTON BULLETIN NO.13— 5th December 2025

Just a gentle reminder to please pre-order your child's festive lunches so that we can gauge numbers, thank you.

| <b>CHRISTMAS LUNCHES 2025</b> |                                                                              |                                           |                                                                                        |                                                    |

## FOBS NEWS AND EVENTS

FOBS have a QR code for donations, just scan the code with your phone's camera and it will take you to the FOBS Just Giving Page.

6<sup>th</sup> February - Swallow Class Cake Sale

## Cross Country

A huge well done to all those who took part in the Small-Schools Cross Country event at Milton Country Park earlier this week; there's a lovely write up here: <https://scssp.co.uk/elsworth-and-meldreth-claim-team-titles-at-small-schools-cross-country-competition/>. As you will see at the bottom of the article some of our team members did especially well:

Toby—3rd in Year 6 boys

Amelia—1st in Year 4 girls

Emma and Penelope —3rd in Year 3 girls.

If your child enjoys running please note there are lots of local Park Run events:

**PARKRUN – [www.parkrun.org.uk](http://www.parkrun.org.uk)**

### What does it cost to join in?

Nothing - it's free! but please **register** before you first come along. Only ever register with parkrun once and don't forget to bring a **scannable** copy of your barcode (**request a reminder**). If you forget it, **you won't get a time**.

| Venue                                                | Location                                                                                            | Day and Time | Website Details                                                                                                             |

**Guides** Tuesdays, starting back on the 13th January, [www.cambseastguides.org.uk](http://www.cambseastguides.org.uk)

**Recorders** (KS1 and KS2) Recorders will return next term from Thursday January 8th, please do pop an email to the office if you would like your child to join recorder lessons.

The poster is for 'Afterschool Rugby' at Barton Primary School. It features a vibrant, comic-book style background with yellow and red. At the top left, it says 'CAMBRIDGE SPORTS DEVELOPMENT FOUNDATION'. The main title 'AFTERSCHOOL RUGBY' is in large, bold, green letters with a black outline. Below this, 'TAG & T1 RUGBY' is written in blue and white. A QR code is on the left. The text in the center reads: 'BARTON PRIMARY SCHOOL', 'EVERY WEDNESDAY AFTER SCHOOL', '3:30PM TO 4:30PM', '14<sup>TH</sup> JANUARY TO 25<sup>TH</sup> MARCH 2026', and '£60.00 FOR 10 WEEKS'. At the bottom, it says 'SCAN THE QR CODE TO REGISTER' and 'FOR FURTHER INFO EMAIL US AT [FOUNDATION@CRUFC.CO.UK](mailto:FOUNDATION@CRUFC.CO.UK)'. The bottom-most text says 'FOR BOYS & GIRLS IN YEARS 5 & 6'. There is an illustration of two children playing rugby.

### Health and Safety

Now that the weather is cooling down, please do remember to send your children in to school with appropriate clothing for outdoor play at break time and lunch time. If you can remember to **name all jumpers and coats** that would be wonderful as it helps us to reunite lost property with its owner.

# Education Inclusion Family Advisor Newsletter December 2025

**A Bit About Me**  
 Hi, my name is Samantha Stacey. I'm your school's link EIFA. I offer advice and strategies to parents and carers with a Primary School aged child that may be experiencing some challenges such as routines, sleep, sibling rivalry, challenging behaviour, worries or self-esteem  
 If you'd like to discuss any of these topics, please complete the consent form via link below.

**Top Tips Parenting Top Tip**  
 The key is to imagine behaviour as if it is an iceberg

**What You See (Above the Water)**

- Actions:** What your child does (e.g. shouting, withdrawing, refusing).
- Body language:** Facial expressions, posture, tone of voice.
- Words:** What they say and how they say it.

**What's Hidden (Below the Water)**

- Thoughts:** What they're thinking but not saying.
- Feelings:** Emotions like sadness, fear, frustration, or excitement.
- Values & Beliefs:** What they believe is right or fair, and what matters to them.
- Motivations:** The reasons behind their behaviour (e.g. needing attention, feeling unsafe, wanting control).

**What you can do**  
 With behaviour, it's easy to focus on what you see. But real understanding comes from gently exploring what's underneath, their feelings, worries, or unmet needs.

- Pause and reflect:** Ask yourself, "What might be going on beneath the surface?"
- Stay curious:** Instead of reacting to behaviour, try to understand the emotion or need behind it.

**Activity Idea – Winter Globe**

- 1: Glue the base of your decoration to the inside of your jam-jar lid
- 2: Add water – don't fill it right to the top, because you'll need room for the decoration that you've stuck onto the lid!
- 3: Add a small amount of glycerine or light corn syrup - The more of this you put in, the slower your glitter will fall. The glycerine or syrup makes the liquid more 'viscous'. The higher the viscosity, the 'thicker' it is.  
**Substitutes** to glycerine/light corn syrup - golden syrup, maple syrup or light honey.
- 4: Add some sparkle (glitter) - If you add too much, your glitter will clump together.
- 5: Secure the lid
  - Add waterproof glue around rim of the jam jar, then tightly attach the lid and leave for five minutes.
  - Make sure you've created a watertight seal (turn the jam jar upside down in a bowl to check for leaks).

Enjoy

**Online relationship support for parents**

- **Arguing better** – for anyone looking to learn how to cope better with stress and deal with arguments in a healthy way.
- **Me, You and Baby Too** – to help new and expecting parents navigate the changes that happen in their relationship when a baby arrives.
- **Getting it right for children** – to help separated or separating parents learn to manage conflict and minimise the impact it has on their children.

There's also some helpful advice about the impact of debt on relationships
