

Robin Class, Year 1 Summer Term 2026 Part 1

Maths

Multiplication and Division: counting in 2s, 5s and 10s, recognising and adding equal groups, making arrays, making doubles, making equal groups.

Fractions: recognising and finding halves and quarters of shapes and amounts.

For supporting White Rose resources—head to the Home Learning section of the Robin Class page!

Literacy

Drawing Club.

Each week we will be looking at a new book. We will explore a range of vocabulary, characters and settings.

We want the children to feel the joy of writing creatively and independently, with improved confidence and fluency when writing.

The children are focusing on using capital letters appropriately, applying full stops correctly, using spaces between their words, letter formation and using their Phase 2, 3 and 5 phonic knowledge to help them spell.

Science: Animals

The children in Year 1 will be learning about common animals in the UK. Looking at animal classifications, their diets and a quick look at their habitats.

Art: Making Birds

The children will explore how to take observational 2D drawings into 3D models.

Phonics

Little Wandle:

Continuing the Phase 5 sounds—revising in preparation for the upcoming Phonics Screening Check.

Please find the Little Wandle sound mats on the Home Learning section of Robin's page in addition to the pronunciation guide on the Phonics section.

PE

Using rackets, bats and balls.

Jumping.

ICT: Beebots

The children will explore simple coding techniques using a Beebot. They will explore how to identify and debug a code.

Geography: The Fens

The children will be learning about The Fens. They'll be exploring a range of locational language, map work skills and the geographical features unique to The Fens.

RWE

Which stories are special and why?

Bible and Qur'an

PSHE: Healthy Lifestyles

We will focus on developing children's awareness, knowledge and understanding of the importance of being healthy and the range of factors which contribute to maintaining their health.
