

GO HOME HITLER!

- 1 If Mister Hitler and his mates come calling, (*March on spot*)
They won't find a welcome here. (*Wag finger from side to side*)
We will be ready, (*Stamp right foot*)
Standing so steady, (*Stamp left foot*)
Just as soon as they appear. (*Peer out 'to sea'*)
We'll do exactly what old Churchill tells us, (*March on spot*)
Fight to the end on land and sea. (*Right fist-pump on 'fight'*)
Go home Hitler, (*Three strong finger wags*)
We won't miss yer, (*Point to themselves on 'We' and outwards on 'yer'*)
'Cause we're all set for victory! (*Stretch arms upwards in a V-shape*)
