

DOING OUR BIT

PC Lovham & Mrs Lovham

- 1 We've gotta do what's gotta be done,
So come along now everyone,
Get stuck in, the time has come,
We've gotta do our bit for the war!

All

- 2 We're gonna salvage pots and pans,
We'll keep our gas masks close at hand,
Waste not, want not, that's the plan,
Doing our bit for the war!

- 3 Dig, dig, dig for victory,
Growing veggies, ration-free,

Children

Fruity treats for you and me,

Adults

Still they ration cups of tea!

All (*with harmony*)

So, so, so, so:

- 4 We've gotta do what's gotta be done,
So come along now everyone,
Get stuck in, the time has come,
Doing our bit for the war!
Doing our bit for the
(*With harmony*)
War!
