

# LETTERS

- Child 1 solo**  
1 I'm writing this to say I miss you more each day,  
**Child 2 solo**  
Here in the country far away from London Town.  
**Mum 1 solo**  
But London's dangerous, they're dropping bombs on us!  
**Mum 2 solo**  
And in the countryside I know you're safe and sound.
- Child 3 solo**  
2 I hope you've heard from Dad and that life's not too bad  
Across the sea where all the fighting's going on.  
**Mum 3 solo**  
We have to hope and pray that he will be OK,  
I'm sure he'll write a letter home before too long.
- Child 4 solo**  
3 The country's full of fields and cows, the sea is big and blue.  
**Child 5 & 6 duet**  
They give us bread and dripping here and plates of lovely stew.  
**Mum 4 solo**  
Every day we go to work, we're making bits for guns.  
**Mum 5 solo**  
The women do the men's work now and do what must be done!
- All Children and Mums**  
4 I send my love to you, and so you'll know it's true  
I'm putting lots and lots of kisses at the end.  
One day, but who knows when? This war has got to end,  
I'm dreaming of the day when we all meet again!
