Top tips

The secret to success is practising *little* and *often*. Use time wisely. Can you practise this KIRF whilst walking to school or during a car journey? You do not need to practise all aspects of the KIRF all at once; perhaps you could have a fact of the day, or a few facts per week to practise? If you would like more ideas, please speak to your child's teacher.

Practical resources and ideas

Use a hundred square (you can print these off online or ask your child's class teacher for a copy) and hide different numbers with counters. Ask your child to say and write the hidden numbers in numerals and words.
