

Subject: Computing Progression Plan – Vocabulary

Year 1 Vocabulary

log in	username	password	avatar	save	criteria	data	collate	tools	e-book
log out	my work	topics	tools	pictogram	debug	program	integrate	display board	sound effect
direction	challenge	arrow	undo	rewind	forward	algorithm	technology	font	action
command	code	execute	output	properties	sound	instructions	scale	scene	input

Year 2 Vocabulary

button	design mode	collision	detection	nesting	predict	test	timer	text	sequence
email	attachment	digital foot print	arrow keys	cells	cursor	image tool box	move cell tool	spread sheet	speak tool
copy	paste	delete key	binary tree	database	search engine	pictogram	equals tool	back space key	lock tool

Subject: Computing Progression Plan – Vocabulary

Year 3 Vocabulary

alert	blocks of command	flow chart	concept map	node	advance mode	spin tool	cc	formatting	blog
website	pegi rating	simulation	address book	report to teacher	home row keys	audience	animation	graph	field
data base	transition	stock image	design templates	presentation	slideshow	audio	line graph	block graph	bar chart

Year 4 Vocabulary

if/else	code block	flow chart	number variable	coordinates	average	advance mode	formula wizard	phishing	plagiarism
spam	malware	cookies	copyright	identify theft	prompt	logo	BK	FD	RT
LT	repeat	SETPC	SETPS	PU	PD	motherboard	CPU	network card	graphics card
monitor	speakers	keyboard	mouse	speakers	timer	easter egg	stop motion	frame	onion skinning

Subject: Computing Progression Plan – Vocabulary

Year 5 Vocabulary

charts	collaborative	find	record	sort	group	arrange	statistics	report	in built styles
customise	texture	screen shot	perspective	playability	3d printing	modelling	cad	template	paragraph formatting
text wrapping	processing	connection	word mapping	3d printing	polygon	text formatting	record	charts	avatar

Year 6 Vocabulary

animation	simulation	string	tab	launch command	world wide web	router	network cables	wireless	WAN
LAN	formula	sprite	quiz	alignment	row	sum	style	function	workbook
cell reference	value	spoof	base 2	base 10	decimal	gigabyte	bit	byte	denary
kilobyte	nibble	megabyte	transistor	terabyte	machine code	integer	style	spreadsheet	cell
